Respected Official,

I am filing this complaint after doing telephonic conversation
dated 17th January 2024 (afternoon) with Deputy Registrar Rakesh
Kumar Rao.

I had hearing for the aforesaid two 2nd Appeals on 15th January

2024 with Central Information Commissioner Shri Vinod Kumar Tiwari against the public authorities Department of Ex-Servicemen Welfare and Ex-Servicemen Contributory Health Scheme (Indian Military, Ministry of Defence).

U/s 4, 6, and 19 of the RTI Act, I just wanted that in E.C.H.S. the same transparency is provided as is given suo moto in the C.G.H.S.; I just wanted that the constant hard work of judiciary in guiding the nation also reaches freely to the E.C.H.S. and enlightens it. I need you to know that I filed both the 2nd Appeals not for any personal interest but for protection of the health scheme of the 52 lakhs aged and helpless E.C.H.S. beneficiaries and my parents from cruel and untrustworthy administrators of the health scheme. **I need you to know that for doing RTI Investigations against the corrupt and dishonest administrators of the E.C.H.S., I have being personally targeted and subject to scandalous and defamatory allegations.**

Perhaps I truly failed to realise beforehand that we were slaves of British and still we are slaves of our own people in power. In real sense we never got freedom from starvation, fear, and slavery; that is why no Railway C.P.I.O. but one gave reply for the RTI query that how much public money has Indian Railway spent on publicity of Prime Minister Mr. Modi in Railway Stations, one Railway C.P.I.O. who replied has been punished for doing duty faithfully¹.

Perhaps I truly failed to realise beforehand that there is no democracy in India, and what I was doing in the public interest was against the Emperor of India. During the hearing, **Shri Vinod Kumar Tiwari** was doing partiality and had a great rush. Shri Vinod Kumar Tiwari was unwilling to allow me to speak, to impugn the RTI reply letters of the Indian Military, to state the reason for the information sought, and to state the grounds. I begged to Shri Vinod Kumar Tiwari to hear the grounds for the first 2nd Appeal; but the individual swiftly moved to the second 2nd Appeal, and without letting me to argue for the second 2nd Appeal, suddenly said decision has been taken on both the 2nd Appeals. I begged to Shri Vinod Kumar Tiwari to hear the reason for the information sought and reminded that 52 lakhs aged beneficiaries out there are watching, but Shri Vinod Kumar Tiwari said, "I am not interested to listen to your lecture"; when I insisted, I was ordered to maintain decorum. Noticing that the hearing was a sham, I was forced to speak about the cruelty to let Shri Vinod Kumar Tiwari know about the gravity of the matter, but Shri Vinod Kumar Tiwari hurriedly disconnected the video conference not letting me to complete.

I spoke only for two or three minutes maximum for both the 2nd Appeals. The pain and suffering of the 52 lakhs Ex-servicemen and

their dependents is lecture in the ears of the Information Commissioner. The Indian Military and the Central Information Commission, are together a part of the Oligarchy of India. The Indian Military is doing cruelty to me and Information Commissioner Shri Vinod Kumar Tiwari bullied me into depriving me of my right to defend my cases in the hearing dated 15th Jan 2024.

I do not mean disrespect, but appointment of an Information Commissioner having no formal education in law is a deliberate and intentional attempt of the Emperor of India to weaken the Right to Information Act, 2005, and to defeat accountability in the government. In hearing, I told that the Indian Military never ever gave me an opportunity for hearing in the 1st Appeals, but Shri Vinod Kumar Tiwari said there is no provision in law for that. Right to hearing is the natural law:

File No.CIC/SA/A/2014/000254

Summary:

1. Passing orders in first appeal without hearing or sending hearing notice is illegal and will render the order invalid. The Commission sets aside the order of First Appellate Authority for violating RTI Act and breach of natural justice by denying the appellant a chance of presenting his case and by raising entirely a new defence which was never claimed. Commission finds it deserves action though the concerned officer retired from service and recommends Public Authority to initiate disciplinary action against the concerned FAO for acting totally against the RTI Act in this case.

And similar judgments in W.P. (C) 7072/2009 + C.M. No. 2584/2009 Delhi High Court and Civil Appeal No. 9095/2012 Supreme Court.

I know the Chief Information Commissioner will not like to draw wrath of the Emperor of India by restoring my right to hearing. I know the Chief Information Commissioner will hardly place both the 2nd Appeals in full bench of two or more information commissioners for hearing. **I know that the Chief Information Commissioner will hardly look into my written statements² to see the merit of my 2nd Appeals.**

I know the very stick with which I was trying to protect the health scheme from the cruel and untrustworthy administrators has finally broken on 15th Jan 2024. The stick was already chewed out by termites and that is why the Indian Military has temerity to always do mockery of the Act, 2005, and block my a few months old three RTI Applications. I hope that the administrators may have celebrated this victory in Delhi and in West Bengal.

² **Identical Written Statements having diary date 8th Jan 2024 and No. 601184 (CIC/DEXSW/A/2022/664968) and 601186 (CIC/DEXSW/A/2023/639662).**

I do not want to get in to futile discussions with obstinate people. I understand that the Chief of Army Staff of the Emperor of India will never order to initiate General Court Martial against them who did cruelty to me for doing RTI Investigations.

But once and for all I wish to hereby send a message to the administrators that their victory is premature, please have mercy on the aged, alone, abandoned, helpless, and ignorant Ex-servicemen and my parents, and please do no more harm to them who are living in sunset years. **I admit my uncontested defeat in this undemocratic country:**

Why don't we Indians protest against the government for what we need?

Indian Crab Mentality

There was once a crab competition for all countries in the world. All countries sent their crabs to compete. Then someone noticed that the stall from India had a huge box, but it was open. There was no lid for it to keep the crabs in. So people asked the man standing there Why is there no lid for these crabs. They may escape and spread here and there. The man replied, These are Indian crabs. They don't need a lid. They are too busy pulling each other down. They won't escape.
